The letters [illegible] correspondence with the department refer to him as Albert.

On the 11th August, 1911, William Talbot applied for patent as the Attorney of William Wilson Talbot, the latter being the executor of the estate. In this application for patent the name of the deceased entryman is given as Albert Talbot.

The Power-of-Attorney, dated 8th August, 1911, which is signed by William Talbot Attorney for William Wilson Talbot, Executor, refers to the deceased as Albert Talbot.

The Power-of-Attorney under which William Talbot acted on behalf of William Wilson Talbot executor, William Talbot and in the body of the document the latter is referred to as William Talbot Jr. In the Power-of-Attorney the deceased entryman is named as Alexander Talbot.

Letters of Administration have issued in connection with the estate of Albert Talbot and the administrator is named as William Talbot the younger. These Letters are issued as being in force until William Wilson Talbot shall apply for and receive Letters of Administration on his own behalf. William Talbot, who describes himself as the administrator of the estate and as being a brother of the deceased, has made a statutory declaration setting out that Albert Talbot was the only child of the deceased and that although he was generally known as Alfred Talbot.

The facts, therefore, appear to be that although entry was granted in the name of Alfred Talbot, the correct name of the entryman was Albert Talbot, and in the Letters of Administration and the application for patent, [illegible] the latter name.

T. O. Mitchell, Esq.,
Land Agent, Dept. of Interior,
Ottawa.

Will you kindly advise me whether, under these circumstances, the Department would be justified in withdrawing the application for patent, provided the required settlement duties have been completed.

Respectfully submitted,

I beg to acknowledge the receipt of your letter of the 16th instant, in the matter of Mrs. Clotilde [illegible] her claim to make application for homestead entry in her own name, and in reply to say that Mrs. Grant's homestead entry for the land described was cancelled on the 6th June last, she having failed to comply with the conditions attached thereto. LAND PATENTS BRANCH JAN 26 1917

Memorandum

Mr. Beardsley,
Patent Branch.

N.W.¼ of 5-n0-19-W. 4th Mer.

Witn reference to the above case, which you left with me on the 22nd instant, I beg to say that I obtained the file for the North-West quarter of section 6, and it appears that this land was patented to William Brinkman, on the 20th October, 1914. I do not consider, however, that it makes any difference whether Margaret Brinkman referred to in the Letters of Administration is now the wife of Wm. Brinkman or any other man as the Letters of Administration granted by the Court were granted to Margaret Brinkman and the patent should apparently issue in the name of the party mentioned in the Letters of Administration, namely Margaret Brinkman, and whether she has remarried or not is a matter in which, it would appear, that this Department should not concern itself, but should take the necessary steps to have patent issue in the name of the party named in the Letters of Administration.

If, however, you want some further evidence and do not consider this satisfactory, it is apparently a matter for your Branch to deal with and not one in which this Branch is concerned.

Sir,

I am directed to acknowledge the receipt of your letter of the 10th ultimo with reference to your application for letters-patent in favour of the Standard Trusts Company for the NW¼-10-68-5-W.4th M., the homestead of the late Napoleon Dansereau.

It has been noted that the date of death of the deceased is not given in the letters of administration. Another exception which has been taken in this matter is that no evidence has been furnished to this Department that the Napoleon Dansereau who is referred to in such letters, is the Napoleon Dansereau who held the above mentioned land as a homestead.

The certified copy of the letters of administration which was received here under cover of Mr. H. R. Holland's letter of the 12th June, 1914, is therefore returned herewith so that you may have attached to it a statutory declaration which may be made by any disinterested person who is aware of the facts. The copy of the letters of administration should be referred to in the declaration and be marked as an exhibit by the Commissioner or notary public who takes the declaration, and that document and the copy of the letters should be then returned to this Department.

I Donald A. McDougall of the Settlement of Greenshields, in the Province of Alberta, Farmer,

DO SOLEMNLY DECLARE that

REFER FILE NO

Wainwright, Alberta Apr. 8th, 1919.

Mr. A. Norquay,

Dominion Land Agent,

Edmonton, Alta.

Dear Sir: Re South West 22-45-5-W4th
file 17 9641

We are acting for Mrs. Mary Mansfield of Greenshields, Alberta, Administratrix of the Estate of Michael Mansfield, deceased, being the party who homesteaded the above land.

On January 10, 1919, the Department of the Interior at Ottawa wrote a letter to Mrs. Mansfield, a copy of which you have no doubt in your file, stating that it would be necessary for her to show that not less than 20 acres of the said land have been cropped in each year since applying on the 24th November 1916.

It is impossible for Mrs. Mansfield to comply with this request by reason of quite natural circumstances. In order to put her case clearly before you we have secured statutory declarations from Donald A. McDougall, an old-timer in this district, and J. W. Boriam, both of whom are neighbours of the Mansfields. We also have a statutory declaration of Mary Mansfield hereself, and [illegible] three herewith.

A. Norquay ..... 2.

We wish you would kindly look into this matter personally and either if possible to have the conditions imposed by the Department at Ottawa withdrawn in order that Mrs. Mansfield may secure title to the land in question. She is a widow, and has with her one son, John, who is assisting in the farm operations, and the circumstances are such that she is very desirous of securing title. It will put her in a better position to finance operations. You can readily understand the difficulties she has been up against by reason of her husband's death and the crop failures in this district during the past two years.

Kindly let us hear from you in this connection as soon as possible and oblige.

Yours truly,

MAY & SIMPSON.

Nature of entry **Homestead & Soldier Grant.**

In connection with your entry for the above described quarter section, I beg to point out that you have held this entry for over five years, and according to evidence on file have not applied for patent therefor. The Dominion Lands Act allows a period of five years within which to apply for patent, otherwise your entry becomes liable to cancellation.

As you have obtained a loan from the Soldier Settlement Board, patent cannot be issued in your name until your indebtedness has been paid in full, but under the Order in Council of the 4th June, 1921, you could, if you so desired, apply to the Soldier Settlement Board for the issue of patent in the name of the Board, to be held on your behalf in connection with the amount advanced to you.

If you are satisfied that you have completed the requisite duties you are requested to appear, as soon as possible, before the Agent of Dominion Lands or Sub-Agent for your district, with two witnesses for the purpose of applying for patent.

I would impress upon you the necessity of completing your application for patent as soon as you are in a position to do so, as should such action be deferred until a later date you may then find it difficult to obtain witnesses who are conversant with the manner in which the duties have been performed.

If you are in any doubt as to whether you have completed the duties to entitle you to make application for patent, you are requested to fill out the enclosed form No. 8, showing what you have done in the way of residence and improvements in each year since obtaining entry. If you will then forward the completed form here, you will be advised as to what further duties, if any, remain to be done.

Encls. **A separate form should be completed for each quarter-section.**

Sir:

W. ½ 5-16-9 W.4th M.
W. ½ 20-16-9 W.4th M.

I beg to refer you to this office letter to you of the 6th of December, 1926, wherein it is pointed out to you that you have held these entries for more than five years and have not applied for patents therefor. The Dominion Lands Act allows you a period of five years within which to apply for patents, otherwise your entries become liable to cancellation.

As you have obtained a loan from the Soldier Settlement Board, the patents cannot issue in your name until your indebtedness has been paid in full. But, if you so desire, the patents may issue in the name of the Board, to be held on your behalf in connection with the amount advanced to you.

If you are satisfied that your duties have been completed, you should appear before the Agent of Dominion Lands at Lethbridge or a Sub-agent for the district where your lands are situated, with two witnesses, and make applications for patents.

This step should be taken by you without delay, as should such action be deferred until a later date you may find it difficult to secure witnesses who are conversant with the manner in which you have performed your duties.

Encl.

If you are in doubt as to whether your duties are satisfactorily completed, kindly fill in the enclosed forms No.36] for each quarter-section, showing what you have done in the way of residence and improvements in each year since obtaining entry and on receipt of same you will be further advised.

Your obedient servant,

Commissioner of Dominion Lands.

Dear Sir;-

Re; Albert E.Shaw-W.E.25-16-9-W.4th
M.D.King #153, Relief-Supp: to B.O.#1482.

Board Order No.1482 recommended unconditional discharge of lien securities held against the W.E.26-16-9-4, as security for advances made by the Municipal District of King No.153 to Albert E.Shaw. This Board Order further recommended that the outstanding unpaid balance of his account be written off as uncollectable.

I am now informed by the Department of the Interior that further security for the advance exists in the form of charges held against the W.E.25-16-9-W.4th Mer., which land was a Soldier Grant Entry of the debtor, which has since been cancelled and has reverted to the Crown.

The land is situated in the Tilley East Area, and is considered as having no value other than it may have as grazing territory.

The Municipal Authorities see no hope of collecting from Shaw personally, as he is only earning sufficient money, as a laborer at Medicine Hat, to afford a living.

I would recommend therefore that the charge as held against the W.E.25-16-9-W.4th Mer., be discharged and that full effect be given to the recommendation in Board Order No.1482; that the indebtedness be written off as uncollectable both as it affects the debtor's account with the Municipal District and the account of the Municipal District with the Provincial Government.

MEMORANDUM:

Request for Transfer of Dominion Land under Section 27 of the Soldier Settlement Act.

Re: A. E. Shaw,
N.E.¼ 25-16-9 W.4th M. (Hsd.)
N.E.¼ 26-16-9 W.4th M. (S.G.)

The above-described land was secured by this settler under homestead and soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in July, 1920, and in due course secured advances from the Board amounting to $3100.53, as follows: stock and equipment, $1520.00; permanent improvements, $827.20; special advances, $753.33. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

The settler left his farm during the winter of 1924 and secured employment in the mines. He did not return to the farm in 1925 as he did not have sufficient seed or feed. He stated, however, that he did not wish to abandon the property as he hoped to earn enough that year to farm the land in 1926. He, however, continued working in the mines in 1926 and the farm again lay idle. No payments were made by the settler during this period as he only earned sufficient to keep his family. Upon being written to in October , 1926, he expressed a willingness to sign a Quit Claim Deed in favour of the Board. This document was executed by him on the 9th November of that year and his agreement with the Board was rescinded pursuant thereto.

The settler's indebtedness to the Board amounts to $3479.00. The homestead and soldier grant were appraised in August, 1929, as a unit at $445.00. This half-section is situated in a drought stricken, deserted area and is now considered suitable for grazing purposes only. No arrangements have been made for the disposal of these lands and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead and soldier grant.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,

by the settler. His agreement was finally cancelled in accordance with a Quit Claim deed he executed on the 9th November, 1926.

The settler's indebtedness to the Board amounts to $3479.00. The homestead and soldier grant were appraised as a unit at $6.5.00. No arrangements have been made for disposal at these prices and no offers received.

The Board has an effective charge under the amendment to section 26 of the Soldier Settlement Act, as all the advances were made to the settler subsequent to his homestead and soldier grant entries.

In order to recoup itself for the amount which remains unpaid the Board must realize on the above land, and consequently submits the attached Vesting Order under the provisions of section 27 of the Soldier Settlement Act for your signature. In view of the circumstances set forth in the Board's memorandum, I have initialled the Order.

Respectfully submitted,

21st November, 1930.

Re N.B.-2 25-10-v-4.4th M. Retd.
N.B.-2 26-10-v-3.4th M. S. C.
A. E. Shaw,
Soldier Loan ($3100.53) advanced
after entry.

Mr. Shaw obtained homestead entry on the 4th September, 1917, and soldier grant entry on the 29th March, 1920, and for the purpose of patent for same he was required to complete certain residence and cultivation duties in each of three years. He encumbered his entries by securing advances from the Soldier Settlement Board as follows:

Amount of Loan.....	$3100.53
Purpose -- Stock and equipment.....	$ 532.00
Permanent improvements.....	$ 447.20
Special advances.....	$ 750.33
Amount outstanding.....	$2347.53
Estimated value of Sec.).....	$ 445.00
Loss.....	$1902.53

The Board holds no other land security in this case. The Board reports that this settler left his farm in the winter of 1928 to work in the mines. He did not return to the farm in 1929 and has not been seen on the land, although he still has cattle on the property. However, he continued working in the mines and the farm was often idle; no payments have been made and the loan was in arrears.

Dear Sir:

Re William Beattie,
c/o Public Welfare Dept.

We are preparing an application for Old Age Pension for Mr. Beattie, and in order to complete this application, it is necessary that we have proof of his age.

As Mr. Beattie has endeavored to get his Birth Certificate from Ireland, without success, we wondered, whether it were possible for you to obtain his age from your records, as Mr. Beattie was the holder of a homestead known as the South-East Section 7, Township 17, Range 9, West of the 4th Meridian, in the Province of Alberta, containing 160 acres in the neighbourhood of Suffield Station. Title is dated September 28, 1914.

Any information that you can give us about this matter will be greatly appreciated.

Mr. Bull proved up and obtained a patent for South East ¼ of 20 - 8 - 29 - W. 3rd. but the said land was taken into a Reserve by the Government. The parties who are in the Reserve and who had proved up their land received a letter from the Government that they could apply for the same quantity of land any other place and that a patent would issue to them. Yours faithfully.

N.W. of " 35-52-17-W.5th,

for a Divisional Yard and Townsite
Purposes.

According to our records these lands have all been disposed of as homesteads since May last and there are no Cancellation Proceedings pending.

The Company maintain that this is the only practical location for a Divisional Yard.

It has secured options from each of the homesteaders but has not yet paid the homesteaders for their rights or secured abandonments owing to the departmental ruling to the effect that the Company cannot secure more than 160 acres at one point.

I understand the Company is prepared to pay $3 per acre for this land or take it on account of exchange. As matters now stand it would, perhaps, be advisable for the Company to take this land on account of exchange.

S.½ 5-53-17 West 5th.

You will remember when I was in Ottawa a week ago Mr. Cory decided to allow us to take these lands on account of exchanges. I left with Mr. Wyld a fyle with Mackenzie, Mann & Company's cheque for $3633.90 being the Departmental fee in connection with the purchase of these lands from the homesteaders at the rate of $3.00 per acre. If the Department is prepared to cancel the entries granted and allow us to take the land on account of exchanges made, we will go ahead with the laying out of yards at this townsite.

With the fyle which I left with Mr. Wyld you will find abandonments from each of the homesteaders on which we have only paid a small deposit in each case pending the approval of the Department. We shall pay the homesteaders the balance due them. In the meantime, will you kindly secure from Mr. Wyld our cheque for $3633.90, which in this case will not be used, and forward it to me c/o this office.

I am advised by our Right-of-Way Agent at Winnipeg that he is securing from the Engineering Department plan showing right-of-way across this land and that they will be glad to furnish your Department with a copy of same.

This line is located at the first divisional point east of Dauphin on our main line, and is required for railway and its purposes at that point. This, as above stated, is considered to be a divisional point, and from an engineering point of view is the only location suitable for a divisional point of that district. It is therefore absolutely necessary, if we are to locate our divisional yards there, and in order to do this it is, of course, necessary for us to acquire these lands.

The lands in question were all entered for by the homesteaders whose names are mentioned above, and we arranged for purchase in each case at a fair price, paid the homesteaders a deposit in each case and forwarded the papers to the Department in the regular way, through the Company's General Agents, Messrs. Davidson & McAra, also forwarding to the Department the Company's cheque for [illegible] in payment of the Departmental fee of $3 per acre. We have since been awaiting notification from the Department of their approval of these purchases to the Company in order that we might pay to the homesteaders the balance due them in each case.

As the agreements were made six months ago, the homesteaders are becoming very urgent in their requests for payment. The Company is prepared to pay these men immediately upon receipt of notification from the Department that patents will be issued, and as the situation is regarded by the homesteaders as becoming acute on account of the time that has elapsed since

14th December, 1911.

Mr. Cory:-

I beg to submit the application of the Canadian Northern Railway Company to acquire a block of 8 quarter sections stated to be located at their first divisional point west of Edmonton on the main line. They have secured and filed with the Department abandonments from these 8 homesteaders in favour of the Company for Railway and Townsite Purposes.

It has been the practice to restrict the Company, in case of sales for these purposes, to the area of one quarter section in connection with each Townsite. We made an exception in the case of a divisional point and sold them 5 quarters. We have also made some exceptions in special cases.

On account of the above mentioned restriction the Company arranged with the Department to acquire these 8 quarter sections by way of exchange, ~~which arrangement was~~ be purchased. The Department still owes them land on account of subsidy. We therefore returned them the money which they had paid into us.

They have, however, again taken the matter up to secure them by purchase and have forwarded a cheque for $3633.90 in payment of same.

The Block of 8 quarters, as shown on the plan hereunder, is on their main line about 130 miles West of Edmonton and 4 or 5 miles South of Edson on the G. T. P. [illegible] allowed to secure 4 quarters at Edson.

In the case of a divisional point their contention to be allowed to secure more than one quarter section his merits. One of their reasons for desiring to do so is that they wish to protect their townsites from competing subdivisions of land immediately adjoining, and this they cannot do unless they are allowed to secure the surrounding land. I do not know that they really require as much as two sections for this purpose. Their right of way goes through the middle of the block. In any event although we have held them down in this matter, so far as sales are concerned, we have [illegible] acquire the additional land they required, by way of exchange, if they desired to do so.

The question for decision is how much of this block will we sell them or if the whole of it will be sold or if we will sell them a part of it and require them to take the rest on account of land grant.

Mr. W.W. Cory, C.M.G.

Deputy Minister,

Department of the Interior,

Ottawa.

Dear Sir,

Referring to the several applications by the Canadian Northern Railway for land at their divisional point on the main line at Tollerton in Townships 52-53-17 W.5, I beg to call to your attention that this divisional point is one of most importance to the Company. In addition to the area which the Company require for town-site purposes at this point, they also require a large area for trackage purposes as this will be an assembling point for cars. Also the Company will require consid-erable area for shop purposes on account of this being the first important point east of the Rockies. Also the Company will need considerable area to be used for stacking lumber from the Pacific Mills. In view of these facts the Company have applied to buy at this point a larger area than usual. The Company has bought out the several homesteaders referred to, and when the above facts are taken into consideration together with the fact that the farming lands in this vicinity are of a very poor quality, I trust that you will give favourable consideration to the Company's application at this point.

I have the honour to be,

Sir,

Your obedient servant,

Harvey Williams Assistant C.E.

the stacking of lumber from Pacific mills. Our practice has been in the past to consider various applications which have been received from railway companies strictly on their merits where a larger area than one quarter section was applied for. In the present case there would appear to be no doubt that the Company require the two sections applied for in connection with this divisional point, and as they have filed abandonments from the homesteaders in whose names the lands are recorded, and have paid, no doubt, an adequate remuneration for the same, we would be justified in allowing the Company to purchase the eight quarter sections in question at the regulation price of $3.00 per acre. I, therefore, beg to recommend accordingly.

Respectfully submitted,

Deputy Minister.

C.M.

5th February, 1912.

Memorandum:

I beg to submit, herewith, an application from the Canadian Northern Railway to acquire a block of eight quarter sections as a site for their first divisional point West of Edmonton on their main line. The Company has secured from the homesteaders, who held this land, abandonments in their favour, and the question now under consideration is as to whether or not their request should be granted. I would call your attention to a letter from Mr. Fitzsimons, Assistant Land Agent of this Company, in which it is pointed out that a considerable area will be required at this point for shop purposes as it is the first important point East of the Rocky Mountains. A considerable portion of the land will also be used for the

Memorandum:

Mr. Maber.

In the case of applications from railway companies for land in connection with their proposed town sites, please note that where the area is in excess of one quarter section we should endeavour as much as possible to arrange the matter by way of exchange. However, each case will have to be dealt with on its merits and as there is very little land coming to the Canadian Northern Railway Company on this account, they may be permitted to acquire the eight quarter sections which they have applied for, for their Tollerton town site, by purchase in the usual way.

According to our records these lands have all been disposed of as homesteads since May last and there are no Cancellation Proceedings pending.

The Company maintain that this is the only practical location for a Divisional Yard.

It has secured options from each of the homesteaders but has not yet paid the homesteaders for their rights or secured abandonments owing to the departmental ruling to the effect that the Company cannot secure more than 160 acres at one point.

I understand the Company is prepared to pay $3 per acre for this land or take it on account of exchange. As matters now stand it would, perhaps, be advisable for the Company to take this land on account of exchange.

Before any further steps can be taken with a view of issuing letters patent for the above mentioned lands, you will have to write to the Department stating what lands the Company wish to give in exchange. In the case of applications from railway companies for land in connection with their proposed town sites, please note that where the area is in excess of one quarter section we should endeavour as much as possible to arrange the matter by way of exchange. However, each case will have to be dealt with on its merits and as there is very little land coming to the Canadian Northern Railway Company on this account, they may be permitted to acquire the eight quarter sections which they have applied for, for their Fullerton town site, by purchase in the usual way.

Re Application of C.N.P. Company
for all of Section 32-52-17-W.5th
N.½ of " 33-52-17-W.5th
and S.½ of " 5-53-17-W.5th
for a Divisional Yard and Town-
site Purposes.

According to our records these lands have all been disposed of as homesteads since May last and there are no Cancellation Proceedings pending.

The Company maintain that this is the only practical location for a Divisional Yard.

It has secured options from each of the homesteaders but has not yet paid the homesteaders for their rights or secured abandonments owing to the departmental ruling to the effect that the Company cannot secure more than 160 acres at one point.

I understand the Company is prepared to pay $[illegible] per acre for this land or take it on account of entrance. As matters now stand it would, perhaps, be advisable for the Company to take this land on account of entrance.

Respectfully submitted,

Davidson and McRae to do so as soon as possible.

Replying to your letter of the 8th of December concerning your homestead, the S.W. of 32-52-17, West 5th, which you have abandoned in favour of the Canadian Northern Railway Company, I beg to say that the transaction between the Company and the Department has not yet been concluded. Mr. Weber.

In the case of applications from railway companies for land in connection with their proposed town sites, please note that where the area is in excess of one quarter section we should endeavour as much as possible to arrange the matter by way of exchange. However, each case will have to be dealt with on its merits and as there is very little land coming to the Canadian Northern Railway Company on this account, they may be permitted to acquire the eight quarter sections which they have applied for, for their Tollerton town site, by purchase in the usual way.

Sir,

I beg to acknowledge the receipt of your letter of the 23rd ultimo in regard to 9.2 acres North of the River, in S.W. 32-52-17, West 5th. In reply I am to say that it is contrary to the practice of the Department to grant homestead entries for lands separated by any considerable body of water and the entry of Mr. D. MacLachlan, from whom the Company obtained abandonment, was only recorded against that part of the quarter section South of the River. The sale to the Company does not include the 9.2 acres in question which is apparently clear in the records of this Department.

Mr. J. A. Coté,

This is an application [illegible] 9.2 acres [illegible] Tr-[illegible]-ly 7. [illegible], North of the river, for [illegible] purposes.

D. Maclachlan secured homestead entry for that part of the NW¼ 7, North of the river, containing 176.10 acres, and abandoned it [illegible] 9.2 acres, which has been allowed to purchase [illegible] quarter section at this point for its Tollerton townsite. The Company thought it was securing the whole of the NW¼ 7, and I see no objection to allowing it to purchase the 9.2 acres which it is now applying for, as it will complete the block of 4 full quarter sections.

I beg to recommend that this sale be allowed at $3 per acre, the land being vacant and available.

Respectfully submitted,

In the case of applications from military

excess of one quarter section we should endeavour
as much as possible to arrange the matter by way

on this account, they may be permitted to acquire
the whole quarter section which they have applied

A.M. Moroney Esqr.

Edmonton.

Dear Sir.

By registered mail today, I received a notice to " Show cause" together with a form of Statutory Declaration which I return duly completed.

The notice says that it has been reported that I am not complying with the provisions of the Dominion Lands Act in regard to my homestead entry. If anyone has attempted to cancell me, it must be from some ulterior motive, as I can safely say that there has not been one other homestead in the Springdale district on which the improvements have been so faithfully kept up to date.

It is just a little over two years since I filed on the homestead, and, with the exception of the fencing, which I employed Mr Berlin, Springdale to do, as soon as seeding is over, the improvements are practically complete at the present time. I have obtained leave of absence from my employers- The Merchants Bank of Canada- to go on the land during the months of July and August inorder to complete the improvements, and the small remaining fraction available for cultivation.

Over.

That will ,of course, will be within the allotted time of sixty days, but, should it be necessary, I will make arrangements to take up residence on the homestead immediately.

I have had my Declaration confirmed by Mr.Geo.Gordon, Ponoka and Mr John.Crichton, Innisfail, Alt .

I hope that this will meet with your approval, and will deem it an obligement if you will let me know as soon as possible.

I have the honour to be,

Yours Respectfully.

P.S. My neighbours in Springdale say that they cannot possibly see how a cancellation could be filed on my homestead, owing to the short time since I left it, and ,I am sure that if the homestead inspector goes out there,he will find that my statements are correct.

Re M.M. [illegible]-W.6th Mer.

In April, 1909, the Agent at Miles City [illegible] filed a quarter section north of the river as indicated on [illegible] of the records thereof.

This was probably done [illegible] applications that entries will be confined to one side of a body of water.

About the year 1911, the agents were instructed that upon applications for entry [illegible] of this kind that the matter should be referred to the Land Office. This was not done in this case.

As this is only a small strip and easily [illegible] in places only three or four feet wide, under the practice we would have allowed entry on both sides as was done in four other cases in this township.

It also appears that when Mr. Matheson [illegible] entry he paid $[illegible] for certain improvements found on the quarter section on the south side of the river. This money was accepted and receipt given him for the same.

These improvements consisted of two hay [illegible] of a shack which he moved over and used for a [illegible] house.

If this entry was confined to one half [illegible] of the river, I do not see [illegible] was asked to pay for any improvements that he might have made on land [illegible] under his entry.

[illegible] application [illegible] a Settlement Right [illegible] shall accept it as the basis of these entries, and as [illegible] entries will [illegible] only for the full quarter section.

[illegible]

[illegible]

I would draw your attention to the fact that the rulings of the Various Appeals in cases where part of a quarter section was torn covered by water and subsequently became dry.

It would appear reasonable in this case, under the circumstances, to allow of a supplementary free grant of the portion south of the river to Mr. Matheson upon the filing here of Abstract of Title or the Certificate of Title showing ownership of the intended portion, and I would, therefore, recommend this action.

Sir:

In reply to your letter of the 4th ultimo i
beg to inform you that under the circumstances it was
thought best not to institute proceedings against
Section 2, Part of the 4th subdivision of Section 14,
Township 44,

from your forfeiting the aforesaid Certificate of Title
Title or your Indian Certificate of Title Number [illegible]
you are the record registered owner of the said of the
Quarter Section lying north of the River Dauphin Outlet
to put as a counterpart in my hand. If you forward your
Indian Certificate of Title it will be returned to you
when being examined.

Dear Sir:- Re N.W. 35-41-2 W. 5th Meridian.

Some time ago I wrote to you about the Title to the above land, my homestead. The Title called for only One hundred and forty-one acres, I believe, and after taking the matter up with you, you informed me that if I would send the Title to Ottawa, for your inspection, I would receive a supplementary Title to that part lying south of the river. My Title, at that time, was lying for safe keeping in the Merchant's Bank of Canada, Ponoka,

No. H.I. 1 of 9-53-3, West 5th M.
Ref.-178647.

Referring to your communication of the 16th of September, last, addressed to Mr. Andrew C. White, advising him that it will be necessary to crop the eight acres already broken on the above land in 1920, I would call your attention to the Homestead Inspector's report of the 9th of September, last, wherein he credited Mr. White with eight acres of breaking, five acres cropped in 1916 and 1917 and valued the same at $400.00, which is more than the cost of cultivating thirty acres of ordinary prairie land. As the cultivation was performed in three years, it is not understood why you did not forward the application to the Department for consideration before instructing the homesteader to do further cultivation duties.

Kindly forward the application for patent to the Department and in view of the Inspector's report, if you are satisfied to recommend the application it will be submitted for favourable consideration.

Madam,

Re S.W.¼ 10--49--4-W.5th M.

With reference to your application for homestead patent for the above mentioned quarter-section as Legal Representative of the estate of your deceased husband, Samuel M. Hays, I beg to inform you that while you claim twenty-five acres under cultivation besides stock in each year, according to a report made by a Homestead Inspector you have only ten acres under cultivation valued at $150.00 which, however, the Inspector considers is sufficient to warrant the Department in granting you patent.

Before proceeding in the matter, I am to ask you to be good enough to furnish an explanation as to the discrepancy in the area of breaking and cultivation. You might also state whether the stock you claim to have maintained on the land are actually your own property.

Your obedient servant,

Assistant Secretary.

Yours 30th ult. file No 243608 to hand in reply have to say as our plan of operations for the season in the area of breaking and cultivation that I am not much of a judge of acreage and after consultation with my father-in-law and several of my neighbours who I considered were competent to judge I had come to the conclusion that I had about 40 acres I put down in Collin. St. Acres and other hand that the inspector must have erred as I cannot think I had as little as much less than twenty acres in it. It is not broken well. I thought but I have to assume that an accidental measurement was made and now amount to these Cows in Calves and three horses are absolutely my own property free of all encumbrances, lots between ... Trusting this is due course you will please me ... and this explanation to date I remain

MEMORANDUM.

Mr. Hays.

S.W.¼ 10-49-4-W.5th M.
Homestead of Samuel M. Hays, deceased.
Patent applied for by Mrs. Louisa Hays, Administratrix. Recommended.

According to a certified copy of Letters of Administration on file hereunder this entrant died on or about the 15th day of November 1918 and his widow, Louisa Hays, has been appointed administratrix.

The administratrix has applied for patent and claims duties as shown on form No. 58A hereunder marked. In the application for patent a total of 25 acres of cultivation is claimed, whereas Homestead Inspector Wynne in his report of the 23rd March last credits only 10 acres of cultivation but values same at $150.00. The Inspector in his general remarks states:-

"This land is brushy and very difficult "to clear and break. Entrant did very well. I "fully believe that patent should be issued".

This case was submitted on the 20th April last and it was decided that the administratrix should furnish an explanation with regard to the discrepancy existing between her statement with regard to cultivation and that of the Inspector.

A letter is now to hand from Mrs. Hays together with one from Winfield Scott, Justice of the Peace, Warburg, Alberta and it would appear that the administratrix' claim to the breaking of 25 acres resulted from assurances received from neighbours that the cultivation on the quarter-section comprised at least 25 acres. Mrs. Hays still believes that the Inspector may have erred, as she is confident that at least 20 acres have been broken.

MARTIN,

However, as it is apparent that the widow of the late entrant did not intend to misrepresent the facts knowingly, it really does not matter whether 15 acres have been cropped or only 10 acres, because the Inspector considers 10 acres equivalent in cost to the cropping of the amount required by the regulations.

Kindly advise if patent may now issue in the name of the administratrix.

ORDER ORDER NO. 11,098

Re: Samuel Hayes
SW 10-49-4-W.5th.
Dominion Advances.

The Seed Grain and Relief Adjustment Board appointed under P.C. 5378, dated October 25,1939, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs, numbered 11,098, APPROVES the settlement outlined therein and DIRECTS THAT THE SAID PROCEEDINGS BE:

1. THAT, upon application of the sum of Forty-seven dollars and eight cents ($47.08) to the credit of the Dominion Advances more particularly described in the attached report, made to Samuel Hayes, the balance be written off and the liens discharged.

CHAIRMAN, Seed Grain and Relief Adjustment Board.

MEMBER, Seed Grain and Relief Adjustment Board

TO:

The Honourable,
The Minister of Mines and Resources,
OTTAWA, Ontario.

BOARD ORDER
No. 11338

D - H 163

September 10,1952

Mr. J. E. [illegible],
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Samuel Hayes
SW 10-49-A-W.5th.
Dominion Advances

The above party obtained the following federal advances on the security of the above land.

Seed Grain 1915	$60.00
Relief 1915	45.00
	105.00
Interest to July 31st,1952	193.68
	$ 298.68

The debtor died and title to this parcel passed to the widow in 1920 as the personal representative of the deceased. Taxes were allowed to accrue on this parcel with the result that title was taken under the Tax Recovery Act in 1926. As no sale materialized this quarter section was eventually transferred to what is now the Department of Lands and Forests for administration.

That department held the land for some considerable time and has now disposed of same by tax-forced sale under which the department received eighty dollars ($80.00) in lieu of certain homest ad duties not performed.

The Tax Recovery Branch of this department advises that arrears of taxes to the acquisition of this parcel amounted to Sixty-two dollars and eighty-seven cents ($62.87). Adjusting the federal account to December 31st,1926 results in a balance of One hundred and sixty-four dollars and thirty-one cents ($164.31). It is my recommendation that the monies received be distributed on a pro rata basis on the charges on the land in 1926, first allowing a nominal sum of Five dollars ($5.00) to cover costs. The allocation of the monies will be as follows:

Costs	5.00
Taxes	27.08
Dominion Lien	47.92
	$ 80.00

As no further security remains for this account, I further recommend that the balance remaining be written off and the liens discharged.

Yours very truly,

Seed Grain 1915	$60.00
Relief 1915	45.00

Interest to July 31st,1952	193.64

The debtor died and title to this parcel passed to the widow in 1920 as the personal representative of the deceased. Taxes were allowed to accrue on the parcel with the result that title was taken under the Tax Recovery Act in 1926. That department held the land for some considerable time and has now disposed of same by homestead sale under which the department received eighty dollars ($80.00) in lieu of certain homestead duties not performed.

The Tax Recovery Branch of this department advises that arrears of taxes to the acquisition of this parcel amounted to ninety-two dollars and eighty-seven cents ($92.87). Adjusting the federal account to December 31st,1926 results in a balance of one hundred and sixty-four dollars and thirty-one cents ($164.31). It is my recommendation that the monies received be distributed on a pro rata basis on the charges on the land in 1926, first allowing a nominal sum of five dollars ($5.00) to cover costs. Dear Sir:

Re: Estate of William Thomson.

The Department of Lands and Forests have referred me to you for information with respect to the above noted patient in the Provincial Mental Hospital, Ponoka, Alberta.

This patient is old enough to be entitled to an Old Age Pension, but I have been unable to secure proof of age.

It seems he filed on the NE¼ of 4-60-1 W5th on the 11th of December, 1905, and obtained his Patent thereto on the 21st of May, 1918, and I am wondering if you would be good enough to furnish me with a Brief Affidavit covering those circumstances and the age which this patient may have declared to at the time of filing, and later when he obtained his Patent.

Containing 13.4 acres.

I beg to submit for your consideration the application above referred to.. The land applied for is available according to the records of the Department and the applicant has had filed here a duplicate certificate of title showing ownership of the fractional N.E.¼ of Section 21, shown on the sketch outlined in green, which he was permitted to purchase in connection with the fractional S.E.¼ of Section 21, shown outlined in red.

Mr. Inspector Sullivan, in his report hereunder, states;

"This fraction is covered with heavy poplar and willow. I think that $3.00 per acre is a fair value as improved land in the vicinity is selling at $5.00 per acre. As Mr. Ritchie is the owner of the N.E. 21-59-12, W. 5th I recommend that he be allowed to purchase this fraction."

9th June, 1930.

Sir,

I beg to refer you to the letter from the Department, dated the 14th September, 1928, wherein you were advised that you would be permitted to purchase the fractional North West quarter of Section 22, Township 59, Range 12, West of the 5th Meridian, lying South of the River, containing an area of 13.4 acres, at the rate of $3.00 per acre.

Notwithstanding intimations from the Department that it would be necessary for you to make payment if you desired to acquire this land, the records of the Department show the sale to be seriously in arrears.

Consequently, I am to inform you that the sale to you of the above described land is hereby cancelled and to ask that you govern yourself accordingly.

Your obedient servant,

Commissioner.

RECLAMATION SERVICE.

Ottawa, 15th January, 1921.

Sir,-

In connection with the proposed drainage project of Lamoe Lake, which has been favourably reported upon as a consequence of the preliminary investigation by our examineers, I shall be glad if you will reserve in your records, the lands comprised in the schedule attached hereto.

I beg to advise you that reservations placed against homesteaded lands will not affect any rights that the entrant was entitled to at the time of entry; but, in the case of cancellation or abandonment, that such lands will be reserved for reclamation by drainage. For this reason, you are hereby requested not to accept any application for inspection from any private individual for such lands after the receipt of our letter of reservation. Any application received previous to the date of our reservation may, however, be dealt with in the regular way. In the case of an application for cancellation proceedings being made after the receipt of our letter of reservation, you should at once notify the Dominion Lands Branch, so that steps may be taken for an inspection, if necessary.

These instructions are given so that the department can arrange for an inspection, if necessary, and relate only to existing homestead entries. It is not intended that you should accept any applications for cancellation proceedings, but you should without accepting them, advise the department and inform the applicant that his request has been forwarded to Ottawa for consideration. Upon receipt of this request, the Dominion Lands Branch will take the matter up with the Reclamation Service, who will advise whether or not such lands should be released from reservation and you will be notified as to whether or not an inspection should be made.

In the case of certain returned soldiers and others who may have incurred expenses in investigating suitable land within this tract with a view to filing entries thereon, I beg to inform you that the Reclamation Service will offer no objection to such person or persons being granted the privilege of making entry after the date of our instructions reserving said lands, provided the said expenses were incurred prior to the date of our reservation.

Encl.

Please advise me when these reservations have been noted in your records.

Ft. Loan 37 of No. 17 11 37 14 -W4 M

General Remarks Continued:-

Sir;-

Referring to above land the water has almost receded. Later on, if a rains come, one can get on it for hay cutting. In wet seasons they tell me it is all covered with water, but at the time of inspection it looked good for a good crop of hay, and the settlers advised me that if the lake were drained all it is untenanted land would sell readily for $60.00 to $85.00 per acre. It would make an ideal meadow for hay. Some of the settlers who bought C.P.R. land are draining their sloughs and as a matter of fact some drained in 1920 and 1921 and have good hay meadows from these lands once covered with water from this lake. A fair valuation would be $10.00 per acre. No residence. No improvements.

Question - Disposition of land.

The above described parcels appear to be dried up lake areas and in majority of cases only portions of quarter-sections the greater part of which have been patented. All these lands are reserved for Reclamation Service purposes.

The Homestead Inspector reports that these lands are more or less subject to flooding and parts can be occasionally used in dry years as hay meadow but he states in every case that the lands would make fine hay meadow if drained and states the present value undrained at approximately $10.00 per acre. He also states that if drained these lands will be worth at least $20.00 to $25.00 per acre and would probably bring more at an auction. I would suggest no action pending Reclamation Service action.
The reports on these lands are as follows:

Fr. N.W.¼ 17-37-14-W4th Mer.

"Referring to above land the water has
"almost receded. Later on, it no doubt will
"be wet on it for hay cutting. In wet seasons
"they tell me it is all covered with water, but
"at the time of inspection it looked good for a
"good crop of hay, and the settlers advised me
"that if the lots were around all this un-
"patented land would sell readily for

-$20.00

"$20.00 to $25.00 per acre. It would
"make an ideal meadow for hay. Some of
"the settlers who bought C.P.R. land are
"draining their sloughs and as a matter
"of fact some drained in 1920 and 1921 and
"have good hay meadow from these lands
"once covered with water from this lake.
"A fair valuation would be $10.00 per acre.
"No residence. No improvements."

Pt.S.W.-¼-17-37-14-W.4.Mer.,

"Said land about 80 acres it almost
"dry water about all receded. Settlers
"claim is was all covered with water last year,
"on account of so little snow last winter
"lying on it and so little rain this summer
"it has become dry. If this land was drained
"it would bring from $20.00 to $25.00 per acre
"easily. Would make a good hay meadown. Good
"hay on it now but very little rain would make
"it impossible to get on the land to cut it. At
"the present time $10.00 per acre is a fair
"valuation and it could be sold for that now.
"No residence. No improvements."

N.W.-¼-18-37-14-W.4.Mer.,

"Said land has become almost dry, water
"almost receded. Good hay on it, last year all
"covered with water. Matter of fact settlers
"advised me they never saw it drier for the last
"18 years. Settlers very anxious to have this
"lake drained, hay is getting very scarce on up-
"land and if this was drained it would give all
"the settlers adjoining lots of hay and they
"would all buy what adjoins them from $20.00 to
"$25.00 per acre, if investors could buy it,
"it would even bring more or put up by auction
"would bring from $30.00 to $40.00 per acre, only
"from 3½ to 5 miles from the town of Castor. If
"sold now it would bring $10.00 per acre. No

Re drainage investigation in township 37, range 14, west 4th meridian. - Lane's lake drainage project

---

Referring to your memorandum of the 17th instant, I may say it is considered desirable that this drainage reservation be continued until such time as our field investigations in connection with the North Saskatchewan irrigation project have been completed. There is a possibility that Lane's lake, together with Sullivan lake, may be utilized as a reservoir for use with the above project. I expect to have definite information regarding this scheme about the 30th November next.

Mr. Hume.

Pt. N.W.¼ 17-37-14-W. 4th Mer.,
(Not patented). Area "B".

The reservation in favor of the Lanes Lake Drainage Project was a short time ago cancelled and it was decided that in a few cases to have these lands released from a Drainage Project where accrued areas were to be dealt with that each case should be submitted individually.

In 1922 a report was furnished upon the accrued area under the general instructions relating to vacant lands in Area "B". In view, however, of the drainage reservation then outstanding no action was taken.

The Inspector's report then furnished read as follows;-

"Referring to above land the water has "almost receded. Later on, if no rains come, "one can get on it for hay cutting. In wet "seasons they tell me it is all covered with "water, but at the time of inspection it looked "good for a good crop of hay, and the settlers "advised me that if the lake were drained all "this unpatented land would sell readily for $20.00 "to $25.00 per acre. A fair valua- "tion would be $10.00 per acre. No residence. No "improvements."

Kindly refer to sketch herewith.

Although there would appear to be 50 or 60 acres more or less available for disposition, kindly advise if for the present the Agent may be informed of

(Not patented) Area "B".
Reference - # 98584 sp.

Under date of the 23rd January, 1923, the Superintendent of the Ordnance, Admiralty and Railway Lands Branch advised you that unless you were specifically advised by that Branch to the contrary in any definite case, if any quarter section had been set aside for railway subsidy purposes by Order-in-Council or otherwise, the whole of such quarter section was to be held for that purpose, irrespective of the fact that only a portion of such quarter section may have been patented to the Railway Company or its nominee.

I am now to say that the reservation on railway lands subsidy account in respect to the unpatented portions of the quarter section shown above has been cancelled, and this should be noted in your records.

The reservation in favour of the Lanes Lake Drainage Project has also been cancelled.

In view, however, of the small area involved, in this case it is not considered necessary to take any special action at the present time. Should you receive an application from the holder of the patented portion of the parcel to purchase or otherwise acquire the accrued area or any part thereof, you may refer the same to the Department.

I am, therefore, to ask you to have an Inspector, at the first convenient opportunity, visit this land and furnish a report in respect to the value, liability to flooding, advisability of selling the same to Mr. Brawner and any other information which he may consider pertinent.

Mr. Brawner has also reported that he is the owner of the S.E. 18 and S.W. 20, adjoining, which were originally patented as homesteads and asked whether he might obtain the patented portions as additions to such homesteads.

As Mr. Brawner was not the original settler in either case, he has been informed that it is not the practice of the Department to accede to his request but that possibly an application to purchase might receive favorable consideration.

In view of the possibility that Mr. Brawner may desire to purchase these latter portions, I am to ask you to have an Inspector furnish similar reports in regard to each individual quarter section.

Re: Dried-up areas adjacent to
NW¼ of 17 & SW¼ of 20-37-11-W4th M.

This will, on behalf of Mr. S.E. Brawner, acknowledge receipt of your letter of the 7th inst in which you advise him that he can purchase the dried up areas of the above parcels of land at $5.00 per acre under certain conditions. One of the conditions being that he must send you an abstract of title or a duplicate certificate of title showing the title to the lands in question in his, Mr. Brawner's name. Before going into the matter further Mr. Brawner wishes me to write you advising that as to the NW¼ of 17 he has only an agreement for sale from the Canadian Pacific Railway Company. He says he expects to pay for this land in due course. As to the other quarter the title stands in the name of Mr. Brawner subject to a mortgage. Will you kindly advise how these facts will effect Mr. Brawners right in the matter.

Yours truly,

Sir:-

With reference to your application to purchase the accrued dried up areas in the S.W. ¼ 17 and S.E. ¼ 20, Township 37, Range 14, West of the 4th Meridian, I beg to inform you that the report called for in connection therewith has been received and it has been decided to permit you to purchase the parcels in question, containing 13.7 acres and 17.7 acres, respectively, a total area of 31.4 acres, at the rate of $6.00 an acre, provided you will have filed here an abstract of title or duplicate certificate of title, which latter, if forwarded will be returned after having served the purpose of the Department, showing you to be the registered owner of the patented portion of the said S.W. ¼ 17 and S.E. ¼ 20. An abstract of title may be obtained from the Registrar, Land Titles Office, Edmonton.

Either the whole of the purchase money should be remitted to the Agent of Dominion Lands, Calgary, to whom a copy of this letter is being sent for his information, on or before the 30th proximo, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. I may add that the sale of the said land will also be subject, prior to the issue of letters patent therefor, to the right of the Province of Alberta to take for road purposes, without compensation, such lands as may be required, not to exceed two and one-half per cent. of the total area; and also to take, without compensation, such lands as may be required for the right of way in connection with drainage projects not to exceed one per cent. of the total area. Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ole Arneson, Esq.,
Edgerton,
Alberta.

P.S. The right of entry conveyed by this letter must be exercised prior to the transfer of the Resources, which will probably take place in the case of Manitoba on the 15th instant and the other Western Provinces on the 1st proximo.

Your obedient servant,

Commissioner of Dominion Lands.

Mr. J.A. [illegible],
Assistant Deputy Minister of the Interior,

Dear Sir,

I enclose herewith a letter from Mr. Pierre Arnault, of St.Sebastien, County of Iberville, which speaks for itself. Mr. Arnault has land in the West, which he has cultivated during three summers; but his health has not allowed him to fulfil all his duties as settler. He, however, wishes to obtain his patent, and I think that the circumstances, [illegible] which he sets out in his letter, render possible the granting of the patent, in his favour.

I should be very glad if you could give me a reply in this case, and tell me in what position the writer is with the Department, and what is to be done.

Sir,

The description of my land is S.E. 1/4 of 32, Township 56, Range 10, West of the 4th Meridian, entered for on the 24th of January, 1906. The improvements are

A good lumber house, valued at least at $500.

A stable, a good well, all surrounded by a fence one side wood, two sides barbed wire, and the other side wood and wire.

70 acres broken, have been cropped.

I have lived there during three summers, 1906, 1907 and 1908, and worked on it myself and got others to work for me. My health has not allowed me to go back, but one of my sons resides in the house, and cultivates the land, part of which has been put in crop in the Spring. I wish to obtain my patent so that if I cannot go out there and cultivate it myself, I may hand it over to one of my sons, who is in that part of the country.
